

V7 Keyed Security Lock

SLK500-8E

Key Features

- Secure any laptop
- Desktop computer
- Monitor or projector with a built in lock slot

Overview

Security is on everyone's minds these days, and the V7 Keyed Security Lock offers a simple and effective way to secure your laptop or desktop PC, monitor or projector with a built-in lock slot. Just wrap the sturdy cable around an immovable object, pass it through the slot and turn and remove the key. There are no combinations to remember, and you'll have peace of mind knowing you're securing important data as well as equipment.

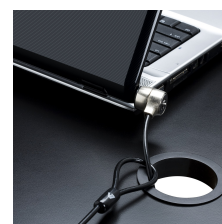

Manufactured by Kensington Computer Products Group, a division of ACCO Brands and covered by applicable ACCO Patents.

SLK500-8E
