

HP Scanjet Professional 3000 s2 Sheet-feed Scanner

Ideal for small to medium-size businesses that need to easily and quickly digitise paper documents. This compact, intelligent scanner produces clean, crisp results with a range of platforms, helping to make business processes more efficient.

Store and share scanned files easily, then send directly to cloud storage or SharePoint®.¹

- Don't get lost under piles of paper. Digitise your files and easily store, share, search and edit.
- Automatically scan both sides of your documents and send to the cloud or SharePoint®.¹
- Scan paper of various, thicknesses and sizes. And say goodbye to paper jams with ultrasonic double-feed detection: just press scan and walk away.
- Turn scans into editable files with Nuance OmniPage² and use apps to convert business cards into a contact database.³

Save time, skip manual steps, be more efficient and create one-click short cuts with HP Easy Scan.

- Spend less time digitising documents and more time doing business.
- Accurately capture the right results with auto-scan mode, crop and colour detection.
- Work smarter with intuitive shortcuts and HP Easy Scan. Create PDF files with a single touch and easily plug right in to existing scanning platforms.
- Seamlessly add high-volume scanning to existing processes with HP TWAIN, ISIS, WIA, Linux and Mac drivers.

Avoid lost pages in scanned files. HP EveryPage Ultrasonic feeds and auto-aligns one page at a time.

- Make missed pages a thing of the past. The HP Scanjet Pro 3000 s2 Sheet-feed Scanner individually feeds and auto-aligns each page.
- Quickly scan files and get crisp, clean results again and again with a scanner that works hard for your business.
- Whether close at hand, or centrally situated, with its compact design the HP Scanjet Pro 3000 s2 Sheet-feed Scanner fits into even the busiest offices.
- Scan at up to 600dpi and rely on a device that just won't quit – scan up to 1,000 pages per day.

Start fast and keep going. Instant-on Technology begins scanning quickly from low-power mode.⁴

- Waste less paper and ink, by scanning, storing and sharing documents digitally. And you cut down on clutter.
- Manage costs with an ENERGY STAR® qualified scanner. Reduce energy use without slowing down, and start scanning quickly from low-power mode.
- Cut your environmental impact with a scanner that's fully RoHS-compliant and free of mercury, lead and other hazardous materials.
- And you enjoy complete peace of mind with a one-year limited warranty, including quick phone or online support from HP.

¹ Requires an Internet connection to the scanner through a PC and HP Easy Scan software (included) and driver installation.

² Supports Windows® systems only.

³ Services require registration. App availability varies by country, language and agreements. For details, visit www.hpconnected.com.

⁴ Compared with products that use traditional fusing and cold cathode fluorescent lamp (CCFL) copying.

HP Scanjet Professional 3000 s2 Sheet-feed Scanner

TECHNICAL SPECIFICATIONS
