HP Scanjet Professional 1000 Mobile Scanner

Convenient document scanning virtually anywhere: this scanner is ideal for small offices with little space and for mobile workers while dace to face with customers or while travelling.

Digitise documents anywhere and on the go.

- Capture documents on the spot: in the office, at your customer's site and even on the road.

- Carry and use the scanner almost anywhere as it's robust, lightweight, portable and compact.

- Protect and store the scanner in the sturdy carrying case (included).

- Power the mobile scanner via your PC's Hi-speed USB 2.0 port — no batteries or AC adapter needed.

Easily scan and organise your digital information.

- Scan with the touch of a button; scan directly from the programme or application you're working in.

- Scan in different file formats: PDF, TIFF, JPEG, Microsoft Word, and save disk space on your hard drive with smaller file sizes.

- Organise, archive and share scanned documents and images, using Nuance PaperPort and convert scans into editable and shareable files with Nuance OmniPage[1].

- Scan and organise business cards and embossed cards, using NewSoft Presto! BizCard Reader software[1].

Quickly scan a variety of two-sided documents.

- Scan a variety of paper sizes, from business cards, notes, embossed cards, signatures and A4-size documents, to forms up to 34 inches/86 cm long.

- Scan at up to 5 ppm or two-sided in a single pass at up to 8 ipm, using the manual feed slot.

- Capture all the detail and fine print: get sharp, clear, legible documents at up to 600 dpi scanning resolution.

[1] Supports Windows® systems only.

HP Scanjet Professional 1000 Mobile Scanner

Technical specifications

Scanner Type	Sheetfed
Scan Technology	Contact Image Sensor (CIS)
Recommended daily throughput	Up to 100 pages
Scan speed (ADF, A4)	Up to 5 ppm/8 ipm
Scan resolution	Optical: Up to 600 dpi Hardware: Up to 600 x 600 dpi Output resolution dpi settings: 75; 100; 150; 200; 300; 400; 600
Bit depth	48-bit
Greyscale Levels	256
Scaling	10 to 2000% in 1% increments
