

Sensors transfer and
auto-answer calls

Portable charging case

Announces caller name

plantronics®

The next generation of a legendary headset

Voyager Legend®

The Plantronics Voyager Legend Bluetooth® headset delivers unsurpassed audio and comfort plus a charging case that adds up to 14 hours of talk time on the go.

Voyager Legend®

Combining triple-mics that cancel noise and wind, voice commands, and Smart Sensor™ technology,

Voyager Legend understands how and when you want to talk. Voyager Legend even announces who's calling and lets you say "Answer" to take the call. The rechargeable case provides another 2 full charges, so you can top up your battery on the go.

KEY FEATURES

- Smart Sensor™ technology intuitively directs calls to your phone or headset, pauses music for incoming calls, and allows you to automatically answer by simply placing the headset on your ear
- Multi microphones optimise your voice and minimise noise caused by wind, movement, and background sounds
- The rechargeable pocket sized case, protects the headset and provides 2 full charges so you can (re-)charge on the go
- Announces incoming caller's name (PBAP) and lets you say "Answer" to accept the call or "Ignore" to decline
- Separate power, mute, and volume buttons provide easy access and control
- Magnetic, snap-fit connection makes charging quick and easy
- Check your headset's battery level from your iPhone or use the MyHeadset™ or Find MyHeadset™ app to show meter on your Android™
- Comfort-tested, balanced design lets you put it on and forget it's there
- Update your headset language for voice control* and more with MyHeadset Updater tool

*Available languages: English, German, French, Spanish, Russian, Swedish and Italian, as well as voice alerts only in Danish and Norwegian.
