

HP Heavyweight Coated Paper

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

Accomplish more with consistent results

Roll or stack your time-sensitive documents right off the printer. Ideal for rich, color-accurate prints, working comps, and design proofs, this heavyweight, PEFC™-certified paper is easy to handle and provides high-quality, consistent results. From line drawings to illustrations and light ink-density graphics, see high-quality, consistent image quality print to print and roll to roll.

Improve your response time

Handle prints with confidence right off the printer. An enhanced coating provides ink abrasion resistance to help you deliver on quick turnaround times.

Do more, with the environment in mind

Gain versatility with this premium bright white paper. From working comps and design proofs to fine line drawings and illustrations, meet the project needs and the environmental objectives of your company and clients with a PEFC™-certified paper.

Target customers	Applications	Benefits
Architects	Posters and presentations	Rich, color-accurate prints and consistent, high-quality results
Engineers	POP and retail displays	Resistance to ink abrasion for easy handling
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	100+ years display permanence indoor ¹ ; in-window 3 months unlaminate ² , 2 years laminate ²
Graphic designers	Architecture (AEC) and engineering (MCAD)	PEFC™-certified paper
Print service providers		Recyclable through commonly available program

Technical specifications
