

HP Premium Matte Polypropylene, 2 Pack

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Produce brilliant, high-impact signs and banners

Deliver high-quality, durable prints

Handle these sturdy, tear-resistant prints with confidence. Providing the high-quality look and feel of photo material, you get durable performance without trading off brilliant color and edge definition.

Produce high-impact, photo-realistic signs

Produce prints with brilliant color, photo-realistic images, and the look of traditional photos—this sturdy film is ideal for a wide range of sign and event displays including photo enlargements and offers over 50 years indoor display permanence.¹

Do more, and print with the environment in mind

Offer a wide range of applications from presentations, banners, and displays to photo enlargements—and help meet the environmental objectives of your company and your clients—with this versatile, recyclable² HP printing material.

¹ With Original HP 771 Vivid Photo Inks or Original HP 91 Photo Inks. Display permanence rating for interior displays/away from direct sunlight, under glass by HP Image Permanence Lab and/or by Wilhelm Imaging Research, Inc. on a range of HP media.
