

HP Universal Heavyweight Coated Paper

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Accomplish more with consistent results every time

Look to this economical, recyclable¹, and FSC®-certified printing material, ideal for a variety of medium ink-density graphics and technical applications including presentations, indoor signs, and posters that are frequently replaced. From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

Add flexibility —this paper is FSC® -certified

Use this high-quality printing material across a broad range of HP Designjet printers. And get added flexibility with this recyclable, FSC®-certified paper that supports the development of responsible forest management worldwide.²
