

HP Scanjet 200 Flatbed Photo Scanner

The HP Scanjet 200 Flatbed Photo Scanner is ideal for home and business users who want a compact, easy-to-use scanner to scan photos and documents at high resolution and capture, store and share images quickly.

Experience high-quality photo and document scanning.

- Scan important photos and get precise results. Capture crisp image detail at up to 2400 x 4800 dpi resolution, 48-bit colour¹.
- Enjoy fast, convenient scanning of photos and images to Internet sharing sites
- Scan important paperwork, photos, and everyday documents into easy-to-access digital files.
- Finish jobs faster – scan a 10 x 15 cm (4 x 6-inch) photo in as fast as 21 seconds at 200-dpi resolution².

Start working fast with easy-to-use functions and quick setup.

- Create the prints you need: use the ArcSoft PhotoStudio 6 photo-editing software included to easily edit, search, and organise images for printing in multiple sizes.
- Save time with convenient one-touch scanning capabilities. Capture and send images directly to email or PDF – and print or copy images with just a touch.
- Get to work quickly with an intuitive interface with easy-to-use controls. Plug in and set up fast with a single cable.

Save space: this compact scanner fits almost anywhere you need it.

- Set up and work where you want—this compact, landscape-oriented scanner can fit almost anywhere in your home or office.
- Scan books, magazines, and bound materials with ease, using the scanner's floating-hinged lid for high clearance.
- Eliminate the need for a power cable – this USB-powered scanner saves energy by plugging directly into your PC².

¹ Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.

² Energy savings based on comparison with scanners requiring a separate power supply.

HP Scanjet 200 Flatbed Photo Scanner
