

# HP Universal Heavyweight Coated Paper

## The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## Accomplish more with consistent results every time

Look to this economical, recyclable<sup>1</sup>, and FSC®-certified printing material, ideal for a variety of medium ink-density graphics and technical applications including presentations, indoor signs, and posters that are frequently replaced. From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

### Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

### Add flexibility —this paper is FSC® -certified

Use this high-quality printing material across a broad range of HP Designjet printers. And get added flexibility with this recyclable, FSC®-certified paper that supports the development of responsible forest management worldwide.<sup>2</sup>

Target customers	Applications	Benefits
