

# HP Bright White Inkjet Paper

**The HP Designjet printing system—the complete solution**

HP Designjet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

**Experience ColorPRO Technology—at its brightest.**

**See the ColorPRO difference—at its brightest**

See the bright, clear difference. See precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Bright White Inkjet Paper with ColorPRO Technology delivers professional quality, striking results.

**Print with ease—with the environment in mind**

Keep a brisk pace. HP printing materials are designed together with HP inks and the printer to provide consistent, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable, FSC®-certified paper.

**Increase productivity, lower printing costs**

Optimize your everyday printing with the reliable, trouble-free performance of cost-effective HP Bright White Inkjet Paper. Many choices, including metric sizes, cut steps from the workflow for higher productivity and lower costs of printing.

Target customers	Applications	Benefits
High/production professionals working with Geographic Information Systems (GIS)	Posters and presentations	More striking colors
Architecture (AEC)	POP and retail displays	Crisper text and graphics
Engineering (CAD)	CAD, AEC, GIS applications	Higher contrast blacks
Applications		Visibly enhanced print quality at production speed
Print service providers		FSC®-certified paper
		Recyclable through commonly available programs
